Why did Bee Bully?

WHAT DO YOU THINK?

1.	What might have caused Bee to have a bad morning?
2.	How do you think Bee felt when she left home and headed to class?
3.	Why do you think Bee bullied Tar?
4.	How do think Tar felt when Bee was picking on him again?
5.	Instead of bullying, list other ways Bee could have turned her day around?

Think about a time when you did something that was not nice.
